

# CLOSE QUARTERS BATTLE 3

Close Quarters Battle 3(CQB3) will teach you to safely and effectively fight in close quarters. Our CQB courses are developed to teach students from the basic and further develop their skills and effectiveness as they progress through the course levels.

## CQB 3 - \$100.00

Course is 4 hours and requires the student to already have taken CQB 2, Basic Rifle(if using) or equivalent.

CQB 3 will focus on learning how to fight in close quarters safely and effectively. This course will be a combination of dry fire and simunition with a rifle or handgun in the shoot house. CQB 3 will build upon the fundamentals learned in CQB 2 and implement the progression of multi-room flow, high light to low light and non-verbal communication through body language. Students will learn how to safely move with a weapon indoors, positively identify/assess rooms and engage threats efficiently.
